Re: Approval of Selekt products

The following Selekt products, manufactured by Nimrod Veterinary Products Ltd (UK), have been approved by AsureQuality for use on organic farms certified to Ministry for Primary Industries *Official Organic Assurance Programme: Technical Rules* and *USDA National Organic Program*;

Product Trade Name	ACVM Registration Number
Selekt Fresh Cow 500	Exempt
Selekt Restore	Exempt
Selekt Off Feed	Exempt
Selekt Antacid	Exempt

Conditions of use on organic farms are specified in the approved Organic Management Plan of the operator, as the conditions of use may vary depending on the standards and markets the operator is certified to.

Effective Date: 6/07/2018

Anniversary Date: 6/07/2019

Kind regards
